

## Lead Renovator Certification

This eight-hour initial certification course is required for any renovators without previous training to become a certified lead-safe contractor. Bring a pen, pencil, and paper; all other materials will be provided. The course concludes with a 25-question exam. Students should also bring a lunch. Cost: \$175

9/19, Th, 8:15 am-5:15 pm, MVCC Education Center  
10/8, Tu, Th, 5-9 pm, MVCC Education Center  
10/25, F, 8:15 am-5:15 pm, Rome Campus  
11/21, Th, 8:15 am-5:15 pm, MVCC Education Center  
12/13, F, 8:15 am-5:15 pm, MVCC Education Center

## Lead Renovator Training Fall 2019

### Lead Renovator Refresher

This four-hour refresher course is required for any renovators that completed the Initial Lead Renovator Training five or fewer years ago. Bring a pen, pencil, paper, and proof of prior certification; all other materials will be provided. The course concludes with a 25-question exam. Cost: \$135

9/20, F, 8:15 am-12:15 pm, MVCC Education Center  
11/22, F, 8:15 am-12:15 pm, MVCC Education Center

### Who Needs This Class?

As of April 22, 2010, all contractors working in pre-1978 housing, schools, or child-occupied facilities are required to obtain an EPA firm license and have their workers trained in lead-safe work practices, or face fines by the EPA. This course is accredited by the EPA and fulfills the requirement for lead-safety training. Renovation firms must have at least one certified renovator who has completed training and obtain a firm certification from the EPA at a cost of \$300.

MVCC is offering these courses in partnership with the Oneida County Health Department, Cornell Cooperative Extension, and Environmental Education Associates (EEA), and these courses are accredited by the EPA and fulfill the requirements for lead safe training. EEA is a USEPA TSCA 402 accredited training provider.
